

Cedar Crest Golf Course – Golf Course Internships available for Spring, Summer and Fall terms.

Golf Course interns will learn the overall operations of a golf course and perform duties that help the facility thrive in efficiency and enjoyment for guests. Students will be taught from an ‘inside-out’ perspective, developing expertise necessary for a successful career in golf course management career. Interns are selected on the basis of professional potential. This isn't a coffee-fetching, grunt work internship. We trust our interns to handle duties that require the utmost in responsibility, diligence and enthusiasm.

**Availability:**

Cedar Crest Golf Course would like to offer Spring, Summer and Fall Internships to College students & recent graduates who are majoring in Agriculture, Business, Advertising, Management or related fields. While we do not have a paid internship program we will build a formalized College credit plan. We are looking for interns (for each time period) at our location in Dallas. We also offer longer internships to those interested. We provide a lunch stipend for each intern, as well as, free golf privileges at the course during the duration of your internship. Internships last between 3 to 6 months.
